

We've been working on healing core issues in our Monday class, Spirit Speaks on Healing Core Issue, and our Thursday class, Healing from the Inside Out. Many who participated experienced life-changing breakthroughs as a result. You can break through too.

We will extend the powerful work we've done by applying it to the Key issues that we all face in our lives. On June 4 and 7, we will begin the next two classes "[Spirit Speaks on Healing KEY Issues](#)" and "[Healing Key Issues](#)". These classes will apply what we've been covering to key issues such as relationships, finances, family situations, professional endeavors and spiritual growth. If you didn't take the prior class, don't worry. I can send you the recordings, and you can listen at your leisure when you pre-register. You can take this class "live" or from wherever you are, as we have equipment to enable you to hear it clearly and we record the classes. There is a substantial \$50 discount for pre-registration with pre-payment, and you can register by going to the Chapel's website, www.takomaparkchapel.org, and making the suggested donation, or to my paypal account revjimwebb@msn.com. As is often the case, if you pre-register for one of the classes, you can take the other class for no charge (two for the price of one).

You may know others who would be interested too, so please forward this email to others who may benefit from these classes.

I look forward to working with you in June.

Love,

Jim Webb
